

Refund Policy – Clear Terms for Transparent Service

At AamoBee, we strive to offer high-quality services that meet the needs of every business we support. However, we understand that situations may arise where a user may wish to cancel their subscription. In such cases, our refund policy is designed to be fair, simple, and transparent for all parties involved.

Please read the full refund terms below before making a purchase.

1. Eligibility for Refund

- You may request a refund **within 7 calendar days** from the **date of subscription activation**.
 - Refunds are only available for **new annual subscriptions**. Renewals, upgrades, or pro-rated module additions are **not refundable** once activated.
 - This policy applies to **first-time purchases only** and is not applicable for returning users or accounts re-activated after cancellation.
-

2. Pro-Rata Refund Calculation

If a cancellation is requested within the eligible 7-day period:

- A **pro-rata refund** will be calculated based on the number of days you used the service during that period.
- For example, if you cancel on day 4, you will be charged for 4 days, and the unused balance for the remaining days will be refunded.

The formula used for refund:

$$\text{Refund Amount} = (\text{Total Paid} - \text{Stripe/Bank Charges}) - \text{Amount for Days Used}$$

This ensures you pay only for what you've used, and receive the balance amount back.

3. Payment Gateway Deductions

- Any **payment gateway charges** incurred during the transaction (such as Stripe fees, currency conversion fees, or bank transfer fees) will be deducted from the refund amount.
 - These charges are collected by third-party providers and **not by AamoBee**.
 - Typical deductions include:
 - Transaction fee (usually a percentage of the amount)
 - Currency conversion charge (for non-INR/AED transactions)
 - Refund processing fee (if applicable by the provider)
-

4. Refund Timeline

- Refunds will be **processed within 25 working days** from the date of cancellation approval.
- The refund will be made to the **original payment method** (e.g., the same credit/debit card or bank account used during purchase).
- A confirmation email will be sent once your refund has been processed.

Please note:

- Working days exclude weekends and national holidays in both **India** and the **UAE**.
 - Delays from your bank or card issuer may affect the actual credit date.
-

5. Refund Denial Conditions

Refunds will **not** be approved under the following conditions:

- Cancellation requested **after the 7-day window** has passed
- Subscription was used extensively during the refund period (e.g., active data use, report downloads, integrations)
- Abuse of refund policy or repeated refund requests from the same user
- Violation of our terms of use or user agreement
- Refunds requested for **add-on modules**, upgrades, or renewals

In such cases, AamoBee reserves the right to **deny the refund** with justification provided to the user via email.

6. Requesting a Refund

To initiate a refund, please send an email to:
paymenthelp@aamobee.com

Include the following details:

- Registered email ID or firm name
- Transaction ID or invoice number
- Date of subscription
- Reason for cancellation (optional but appreciated for improvement)

Our support team will respond within **2 to 5 working days** to acknowledge the request and guide you through the process.

7. Legal Validity and Jurisdiction

- This refund policy is governed by the laws of the countries we operate in, primarily **India** and the **United Arab Emirates (UAE)**.
- In the event of a dispute, AamoBee will work in good faith to resolve the issue amicably.
- Our terms are designed to ensure **compliance with international consumer protection standards**, and we reserve the right to modify or update this policy at any time with or without notice.

Summary

Term	Details
Refund period	Within 7 calendar days from activation
